There are six groups in the menu. Ingredients are the core raw materials used to build up recipes for your menu items as well as a-la-carte modifier options.

Modifier Groups

Modifier Groups are a collection of Menu Items in the same category, like pizza or soup. Qui epicuri recusabo euripidis te, ne error facilisi iracundia ius, eripuit equidem. Fabulas phaedrum ex vis.

Example:

Duo te invenire iracundia, posse nullam sit cu. Cu
dicunt malorum hendrerit usu, eos meliore
platonem te.
